Christmas Newsletter

Issue 4

16th December 2011

Welcome

Welcome to our Christmas newsletter. We've had another great year at North Mere.

Read on to find out what has been happening on the farm and what is planned for the New Year.

New Website

With all our cottages finished we thought that it was time to re-vamp our website. So take a look, we hope you like it.

Events at Kenilworth Castle

There are lots of winter activities happening at the castle including ghost tours, traditional games and toy making, and February half-term family fun trail

The castle is less than a mile walk from North Mere and is open 10am—4pm in the winter (except Christmas week).

On the farm

Harvest was good this year. It's the first year we've grown wheat on the farm and it did very well, most of it has been sold and will be appearing in a packet of biscuits near you.

New calves arrived this autumn aren't they cute. By the spring they will all be big enough to enjoy the fresh pasture.

Last Winter

What a great Christmas the kids had last year, tobogganing on the farm on Christmas Day. North Mere made a great winter walking retreat for most of December. The kids are looking forward to more snowy days. They think white Christmases are the norm!

Extras

From the 1st January we will be offering a range of added extras that you can order or hire from us. These will include:

- Breakfast baskets
- Frozen meals
- Cakes
- Packed lunches
- Baby equipment hire
- Baby pack hire

You can order these before you arrive, but do give us 48 hours notice. More will be on our website in the New Year www.northmere.co.uk.

The family

We are all eagerly awaiting the newest addition to the family. Ian and Tamarind are expecting their third child in February. We are going to let Tamarind have a few weeks off, for good behaviour. Judy will be dealing with the bookings at the beginning of the year.
